

River Trail Middle School

All-State Orchestra

2022-2023 Registration

Georgia All-State is a special event organized by the **Georgia Music Educators Association (GMEA)** and allows high caliber students from all over the state to work together with nationally renowned conductors in music education. The 3-day event is held in Athens, Georgia, from March 2-4, 2023. Students must undergo two separate auditions and will be selected performance merit based on performance technique and musicality.

The first audition is held at the district level (face2face) and students must pass with a minimum score of 55 out of 80 to proceed to the second round. In the second-round audition, middle school orchestra students are competing against other middle school students at the state level. Students are ranked based on their second-round audition performance scores which determines their selection into the Georgia All-State Orchestra.

Most students who plan to audition for Georgia All-State should have a private lesson teacher as the music requirements go beyond the scope of Middle School Orchestra curricular standards. It is up for the private lesson teacher to determine if a student should audition for Georgia All-State.

The fee to register for students All-State Auditions is \$26, due by August 29, 2022

Payment made on the RTMS Online School Payment platform
