\*Our maintenance and repair policy covers anything short of the total loss or destruction of your rental instrument. We will take care of broken strings, bridges, cracks, loose fingerboards, open seams, broken pegs, etc.... on-site and at no additional cost. A deductible will be charged only if the instrument can never be rented again due to damage or neglect.

Major credit card or debit card required for rental • Month to month rental after first two months • No deposit required.

Our equity program is second to none - and it is structured with the player in mind! Our shop is completely run by musicians, for musicians. 100% of your rental payments apply toward the purchase of a lifetime quality instrument. Your equity is never capped. As long as you continually rent, your equity is building without any time limits. No chain store, superstore or general music store can match our program. If you are considering another rental agency, please check their policy closely. And please don't be discouraged if we aren't your closest choice - your child's musical education and your experience are well worth the drive. We've been here for over 25 years and we're not going anywhere. We only have one location because we want everything we do to be done right - and done right here!

## WHY RENT FROM US?

- We are the Atlanta area's largest and most complete string instrument shop.
- We continue to be the area's most trusted rental source by teachers and parents alike, year after year.
- We deal only in string instruments. This allows us to provide you with superior service at a lower cost.
- We lease the finest student instruments available - all of which are on your school's approved instrument list.
- Every rental instrument has been adjusted in-shop by professional luthiers for optimum playability and sound.
- We have a huge inventory - literally thousands rented and hundreds for sale. All sizes in stock from 1/32 to 4/4!
- Our low-cost maintenance policy protects you from high out-of-pocket expenses. Our policy is inclusive and covers virtually any problem with your instrument, including: broken strings, bridges, open seams, loose fingerboards, cracks, etc...
- 100% of your rental equity can be applied toward a lifetime quality instrument; not the typical rent-to-own situation where you end up owning a lesser-quality rental instrument that you paid way too much for.  
And when it comes time to buy one, we have a showroom full of instruments here for you to play and choose from.
- We run a fully-staffed shop which includes 4 full-time luthiers and bow specialists.
- All repairs done on-site in a timely and conscientious manner.  
Many small repairs and adjustments made while you wait.
- We have been serving the Atlanta and surrounding musical community for over 25 years and are still going strong.
- We are nice and fair and we look forward to seeing you soon!
