Sessions	advance.				
	Mr. Liu believes in the success and enjoyment of music performance for every student, and strongly encourages students				
	to take advantage of help sessions offered. The longer a student struggles, the less enjoyment one has performing music.

	performance skills students learn in Chamber Orchestra range from advanced middle school to high school level				
	curriculum. Students must meet mastery performance standards, demonstrate proper classroom behavior, and attend the

Chamber Orchestra	Performance Expectations				
Expectations	Chamber Orchestra students are expected to perform at the high school level of focus and awareness towards musical				
	precision, intonation, technique, and expression both as an individual and as an ensemble group. It is essential (and				
	strongly encouraged) that students ask for help either from Mr. Liu or their private lesson teacher.				
	Attendance Expectations				
	All Chamber Orchestra students are required to perform the major concerts; Fall Arts Festival, Winter Concert,				
	Performance Evaluations, and Spring Concerts. Students in Chamber Orchestra may have additional performances during				
	and outside of school days. Due to the technical and musical complexities of the pieces, it is required for Chamber				
	Orchestra students to attend outside of class rehearsals regardless of individual performance mastery in the music.				
	Students and parents will be given advance notice of required, additional concert performances and rehearsals. Please				
	notify Mr. Liu, far in advance, of any significant conflicts. Required Performances and Morning rehearsals are graded.
